## Greetings, Classmates

Where has the summer gone? Do the seasons seem to just fly by? Perhaps it's our age. At least we're all in the same boat.

You'll notice this newsletter is a scaled-back version. Our class treasury needs help after our big, wonderful 50<sup>th</sup> reunion. It's very important to have an annual mailing to keep our addresses up-to-date. We ask for address correction so that we are notified of address changes. This adds to the normal cost of printing and mailing.

If you feel comfortable making a donation to the newsletter fund, please send a check, payable to West High Class of 1960 to **Jeanne Lorimer Moren**, 100 Wisconsin Avenue #1104, Madison, WI 53703. A donation of any size will be very much appreciated.

Sadly, there are several deaths to report. We are very grateful when spouses or family members take the time to notify us of classmate deaths. If obituaries are not printed in the Madison paper we would not be aware of the loss. To see obituaries, go to our class web page, <http://members.cox.net/classof60/> Scroll down and click on Remembrances. Click on the flower icon next to the classmate name to see the obit. Though these friends are gone, they live on in our fond memories.

Our 50<sup>th</sup> Reunion Directories and DVDs are still available to purchase. Contact me for details.

Take care and keep in touch!
